

### **Experienced Landscaping Foreman**

We are looking to hire a seasoned hardworking foreman with experience working with landscaping, masonry, and interlocking stones. The individual must have demonstrated ability to lead and command a team. The ideal candidate must be able to work independently and make sound decisions to ensure top-level customer satisfaction. The Foreman must lead by example and ensure the entire team works towards one single goal, Customer Satisfaction.

### **Job Description**

- Manage and supervise part-time and full-time skilled and unskilled manual labour staff.
- Assign and delegate tasks and responsibilities.
- Ensure project is completed according to project schedule.

### **Required Skills**

- Over five years experience in a lead or supervisory position in the landscaping, masonry, interlocking and flagstone industry.
- Valid Ontario driver's license.
- Minimum of 3 years experience with interlocking and flagstone installation.
- Excellent customer service and attitude.
- Attention to detail.
